(c) No Holder of Term Preferred Shares shall have, solely by reason of being such a Holder, any preemptive or other right to acquire, purchase or subscribe for any Term Preferred Shares or shares of Common Stock or other securities of the Corporation which it may hereafter issue or sell.

2.2 Dividends and Distributions.

(a) The Holders of any Term Preferred Shares of any Series shall be entitled to receive, when, as and if declared by, or under authority granted by, the Board of Directors, out of funds legally available therefor and in preference to dividends and distributions on the Common Stock, cumulative cash dividends and distributions on each share of such Series, calculated separately for each Dividend Period for such Series at the Dividend Rate in effect from time to time for such Series during such Dividend Period, computed on the basis of a 360-day year consisting of twelve 30-day months, on an amount equal to the Liquidation Preference for a share of such Series, and no more. Dividends and distributions on the Term Preferred Shares of any Series shall accumulate from the Date of Original Issue with respect to such Series and shall be payable monthly in arrears as provided in Section 2.2(f). Dividends payable on any Term Preferred Shares of any Series for any period of less than a full monthly Dividend Period, upon any redemption of such shares on any Redemption Date other than on a Dividend Payment Date, or, in the case of the first Dividend Period, more than a full monthly period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months and the actual number of days elapsed for any period of less than, or, in the case of the first Dividend Period, greater than, one month.

(b) Dividends on shares of each Series of Term Preferred Shares with respect to any Dividend Period shall be declared to the Holders of record of such shares as their names shall appear on the registration books of the Corporation at the close of business on the applicable record date, which shall be such date designated by the Board of Directors that is not more than twenty (20) nor less than ten (10) calendar days prior to the Dividend Payment Date with respect to such Dividend Period, and shall be paid as provided further in Section 2.2(f) hereof.

(c) (i) No full dividends and distributions shall be declared or paid on shares of a Series of Term Preferred Shares for any Dividend Period or part thereof unless full cumulative dividends and distributions due through the most recent dividend payment dates therefor for all outstanding shares of Preferred Stock (including shares of other Series of Term Preferred Shares) have been or contemporaneously are declared and

paid through the most recent dividend payment dates therefor. If full cumulative dividends and distributions due have not been declared and paid on all outstanding Preferred Stock of any series, any dividends and distributions being declared and paid on a Series of Term Preferred Shares will be declared and paid as nearly pro rata as possible in proportion to the respective amounts of dividends and distributions accumulated but unpaid on each such series of Preferred Stock on the relevant dividend payment date for such series. No Holders of Term Preferred Shares shall be entitled to any dividends and distributions, whether payable in cash, property or shares, in excess of full cumulative dividends and distributions as provided in this [Section 2.2\(c\)\(i\)](#) on such Term Preferred Shares.

(ii) For so long as any Term Preferred Shares are Outstanding, the Corporation shall not: (x) declare any dividend or other distribution (other than a dividend or distribution paid in shares of Common Stock) in respect of the Common Stock, (y) call for redemption, redeem, purchase or otherwise acquire for consideration any Common Stock, or (z) pay any proceeds of the liquidation of the Corporation in respect of the Common Stock, unless, in each case, (A) immediately thereafter, the Corporation shall have 1940 Act Asset Coverage after deducting the amount of such dividend or distribution or redemption or purchase price or liquidation proceeds, (B) all cumulative dividends and distributions on all Term Preferred Shares and all other Preferred Stock ranking on a parity with the Term Preferred Shares due on or prior to the date of the applicable dividend, distribution, redemption, purchase or acquisition shall have been declared and paid (or shall have been declared and Deposit Securities or sufficient funds (in accordance with the terms of such Preferred Stock) for the payment thereof shall have been deposited irrevocably with the paying agent for such Preferred Stock) and (C) the Corporation shall have deposited Deposit Securities pursuant to and in accordance with the requirements of [Section 2.5\(d\)\(ii\)](#) hereof with respect to Outstanding Term Preferred Shares of any Series to be redeemed pursuant to [Section 2.5\(a\)](#) or [Section 2.5\(b\)](#) hereof for which a Notice of Redemption shall have been given or shall have been required to be given in accordance with the terms hereof on or prior to the date of the applicable dividend, distribution, redemption, purchase or acquisition.

(iii) Any dividend payment made on shares of a Series of Term Preferred Shares shall first be credited against the dividends and distributions accumulated with respect to the earliest Dividend Period for such Series for which dividends and distributions have not been paid.

(d) Not later than 12:00 noon, New York City time, on the Dividend Payment Date for a Series of Term Preferred Shares, the Corporation shall deposit with the Redemption and Paying Agent Deposit Securities having an aggregate Market Value on such date sufficient to pay the dividends and distributions that are payable on such Dividend Payment Date in respect of such Series. The Corporation may direct the Redemption and Paying Agent with respect to the investment or reinvestment of any such Deposit Securities prior to the Dividend Payment Date, provided that such investment consists exclusively of Deposit Securities and provided further that the proceeds of any such investment will be available as same day funds at the opening of business on such Dividend Payment Date.

(e) All Deposit Securities paid to the Redemption and Paying Agent for the payment of dividends payable on a Series of Term Preferred Shares shall be held in trust for the payment of such dividends by the Redemption and Paying Agent for the benefit of the Holders of such Series entitled to the payment of such dividends pursuant to [Section 2.2\(f\)](#). Any moneys paid to the Redemption and Paying Agent in accordance with the foregoing but not applied by the Redemption and Paying Agent to the payment of dividends, including interest earned on such moneys while so held, will, to the extent permitted by law, be repaid to the Corporation as soon as possible after the date on which such moneys were to have been so applied, upon request of the Corporation.

(f) Dividends on shares of a Series of Term Preferred Shares shall be paid on each Dividend Payment Date for such Series to the Holders of shares of such Series as their names appear on the registration books of the Corporation at the close of business on the applicable record date for such dividend, which record date shall be determined as set forth in [Section 2.2\(b\)](#). Dividends in arrears on shares of a Series of Term Preferred Shares for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holders of shares of such Series as their names appear on the registration books of the Corporation on such date, not exceeding twenty (20) nor less than ten (10) calendar days

preceding the payment date thereof, as may be fixed by the Board of Directors. No interest or sum of money in lieu of interest will be payable in respect of any dividend payment or payments on shares of any Series of Term Preferred Shares which may be in arrears.

(g) (i) The Dividend Rate on a Series of Term Preferred Shares shall be adjusted to the Default Rate (as defined below) in the following circumstances. Subject to the cure provisions below, a “Default Period” with respect to a Series of Term Preferred Shares shall commence on any date the Corporation fails to deposit with the Redemption and Paying Agent by 12:00 noon, New York City time, on (A) a Dividend Payment Date for such Series, Deposit Securities that will provide funds available to the Redemption and Paying Agent on such Dividend Payment Date sufficient to pay the full amount of any dividend on such Series payable on such Dividend Payment Date (a “Dividend Default”) or (B) an applicable Redemption Date for such Series, Deposit Securities that will provide funds available to the Redemption and Paying Agent on such Redemption Date sufficient to pay the full amount of the Redemption Price payable in respect of such Series on such Redemption Date (a “Redemption Default”) and together with a Dividend Default, hereinafter referred to as “Default”). Subject to the cure provisions of Section 2.2(g)(ii) below, a Default Period with respect to a Dividend Default or a Redemption Default on a Series of Term Preferred Shares shall end on the Business Day on which, by 12:00 noon, New York City time, an amount equal to all unpaid dividends on such Series and any unpaid Redemption Price on such Series shall have been deposited irrevocably in trust in same-day funds with the Redemption and Paying Agent. In the case of any Default on a Series of Term Preferred Shares, the Dividend Rate for such Series for each calendar day during the Default Period will be equal to the Default Rate. The “Default Rate” on a Series of Term Preferred Shares for any calendar day shall be equal to the Fixed Dividend Rate for such Series plus two percent (2%) per annum.

(ii) No Default Period for a Series of Term Preferred Shares with respect to any Default on such Series shall be deemed to commence if the amount of any dividend or any Redemption Price due in respect of such Series (if such Default is not solely due to the willful failure of the Corporation) is deposited irrevocably in trust, in same-day funds, with the Redemption and Paying Agent by 12:00 noon, New York City time, on a Business Day that is not later than three (3) Business Days after the applicable Dividend Payment Date or Redemption Date for such Series with respect to which such Default occurred, together with an amount equal to the Default Rate on such Series applied to the amount and period of such non-payment on such Series, based on the actual number of calendar days comprising such period divided by 360.

2.3 Liquidation Rights.

(a) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the Holders of Term Preferred Shares shall be entitled to receive out of the assets of the Corporation available for distribution to shareholders, after satisfying claims of creditors but before any distribution or payment shall be made in respect of the Common Stock, a liquidation distribution equal to the Liquidation Preference for such shares, plus an amount equal to all unpaid dividends and distributions on such shares accumulated to (but excluding) the date fixed for such distribution or payment on such shares (whether or not earned or declared by the Corporation, but excluding interest thereon), and such Holders shall be entitled to no further participation in any distribution or payment in connection with any such liquidation, dissolution or winding up.

(b) If, upon any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the assets of the Corporation available for distribution among the Holders of all Outstanding Term Preferred Shares and any other outstanding Preferred Stock shall be insufficient to permit the payment in full to such Holders of the Liquidation Preference of such Term Preferred Shares plus accumulated and unpaid dividends and distributions on such shares as provided in Section 2.3(a) above and the amounts due upon liquidation with respect to such other Preferred Stock, then such available assets shall be distributed among the Holders of such Term Preferred Shares and such other Preferred Stock ratably in proportion to the respective preferential liquidation amounts to which they are entitled. In connection with any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, unless and until the Liquidation Preference on each Outstanding Term Preferred Share plus accumulated and unpaid dividends and distributions on such shares as provided in Section 2.3(a) above have been paid in full to

the Holders of such shares, no dividends, distributions or other payments will be made on, and no redemption, purchase or other acquisition by the Corporation will be made by the Corporation in respect of, shares of the Common Stock.

(c) Neither the sale of all or substantially all of the property or business of the Corporation, nor the merger, consolidation or reorganization of the Corporation into or with any other business or statutory trust, corporation or other entity, nor the merger, consolidation or reorganization of any other business or statutory trust, corporation or other entity into or with the Corporation shall be a dissolution, liquidation or winding up, whether voluntary or involuntary, for the purpose of this [Section 2.3](#).

2.4 Coverage Test.

(a) Asset Coverage Requirement. For so long as any shares of a Series of Term Preferred Shares are Outstanding, the Corporation shall have Asset Coverage of at least 200% as of the close of business on the last Business Day of a Calendar Quarter, such Asset Coverage to be determined exclusively by reference to the asset coverage ratio reported as of the last Business Day of such Calendar Quarter in the Corporation's SEC Report with respect to such Calendar Quarter. If the Corporation shall fail to maintain such Asset Coverage as of any time as of which such compliance is required to be determined as aforesaid, the provisions of [Section 2.5\(b\)\(i\)](#) shall be applicable, which provisions shall constitute the sole remedy for the Corporation's failure to comply with the provisions of this [Section 2.4\(a\)](#).

(b) Calculation of Asset Coverage. For purposes of determining whether the requirements of [Section 2.4\(a\)](#) are satisfied, (i) no Term Preferred Shares of any Series or other Preferred Stock shall be deemed to be Outstanding for purposes of any computation required by [Section 2.4\(a\)](#) if, prior to or concurrently with such determination, either (x) sufficient Deposit Securities or other sufficient funds (in accordance with the terms of such Series or other Preferred Stock) to pay the full redemption price for such Series or other Preferred Stock (or the portion thereof to be redeemed) shall have been deposited in trust with the paying agent for such Series or other Preferred Stock and the requisite notice of redemption for such Series or other Preferred Stock (or the portion thereof to be redeemed) shall have been given or (y) sufficient Deposit Securities or other sufficient funds (in accordance with the terms of such Series or other Preferred Stock) to pay the full redemption price for such Series or other Preferred Stock (or the portion thereof to be redeemed) shall have been segregated by the Custodian and the Corporation from the assets of the Corporation, by means of appropriate identification on the Custodian's books and records or otherwise in accordance with the Custodian's normal procedures, and (ii) the Deposit Securities or other sufficient funds that shall have been deposited with the applicable paying agent and/or segregated by the Custodian, as applicable, as provided in clause (i) of this sentence shall not be included as assets of the Corporation for purposes of such computation.

2.5 Redemption. Each Series of Term Preferred Shares shall be subject to redemption by the Corporation as provided below:

(a) Term Redemption. The Corporation shall redeem all shares of a Series of Term Preferred Shares on the Term Redemption Date for such Series, at a price per share equal to the Liquidation Preference per share of such Series plus an amount equal to all unpaid dividends and distributions on such share of such Series accumulated to (but excluding) the Term Redemption Date for such Series (whether or not earned or declared by the Corporation, but excluding interest thereon) (the "Term Redemption Price").

(b) Asset Coverage Mandatory Redemption.

(i) If the Corporation fails to comply with the Asset Coverage requirement as provided in [Section 2.4\(a\)](#) as of the last Business Day of any Calendar Quarter and such failure is not cured as of the Asset Coverage Cure Date, the Corporation shall, to the extent permitted by the 1940 Act and Maryland law, by the close of business on such Asset Coverage Cure Date, fix a redemption date and proceed to redeem in accordance with the terms of such Preferred Stock, a sufficient number of shares of Preferred Stock, which at the Corporation's sole option (to the extent permitted by the 1940 Act and Maryland law) may include any number or proportion of Term Preferred Shares of any Series, to enable it to meet the requirements of [Section 2.5\(b\)\(ii\)](#). In the event that any shares of a Series of Term Preferred Shares then

Outstanding are to be redeemed pursuant to this Section 2.5(b)(i), the Corporation shall redeem such shares at a price per share equal to the Liquidation Preference per share of such Series plus an amount equal to all unpaid dividends and distributions on such share of such Series accumulated to (but excluding) the date fixed for such redemption by the Board of Directors (whether or not earned or declared by the Corporation, but excluding interest thereon) (the “Mandatory Redemption Price”).

(ii) On the Redemption Date for a redemption contemplated by Section 2.5(b)(i), the Corporation shall redeem, out of funds legally available therefor, such number of shares of Preferred Stock (which may include at the sole option of the Corporation any number or proportion of Term Preferred Shares of any Series) as shall be equal to the lesser of (x) the minimum number of shares of Preferred Stock, the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Asset Coverage Cure Date, would result in the Corporation having Asset Coverage on such Asset Coverage Cure Date of at least 200% (provided, however, that if there is no such minimum number of Term Preferred Shares and other shares of Preferred Stock the redemption or retirement of which would have such result, all Term Preferred Shares and other shares of Preferred Stock then outstanding shall be redeemed), and (y) the maximum number of shares of Preferred Stock that can be redeemed out of funds expected to be legally available therefor in accordance with the Articles and applicable law. Notwithstanding the foregoing, in the event that shares of Preferred Stock are redeemed pursuant to this Section 2.5(b), the Corporation may at its sole option, but is not required to, redeem a sufficient number of shares of any Series of Term Preferred Shares pursuant to this Section 2.5(b) that, when aggregated with other shares of Preferred Stock redeemed by the Corporation, would result, if deemed to have occurred immediately prior to the opening of business on the Asset Coverage Cure Date, in the Corporation having Asset Coverage on such Asset Coverage Cure Date of up to and including 285%. The Corporation shall effect such redemption on the date fixed by the Corporation therefor, which date shall not be later than ninety (90) calendar days after such Asset Coverage Cure Date, except that if the Corporation does not have funds legally available for the redemption of all of the required number of Term Preferred Shares and other shares of Preferred Stock which have been designated to be redeemed or the Corporation otherwise is unable to effect such redemption on or prior to ninety (90) calendar days after such Asset Coverage Cure Date, the Corporation shall redeem those Term Preferred Shares and other shares of Preferred Stock which it was unable to redeem on the earliest practicable date on which it is able to effect such redemption. If fewer than all of the Outstanding Term Preferred Shares of a Series are to be redeemed pursuant to this Section 2.5(b), the number of Term Preferred Shares of such Series to be redeemed shall be redeemed (A) pro rata among the Outstanding shares of such Series, (B) by lot or (C) in such other manner as the Board of Directors may determine to be fair and equitable.

(c) Optional Redemption.

(i) Subject to the provisions of Section 2.5(c)(ii), on any Business Day following the expiration of the Non-Call Period (if any) for a Series of Term Preferred Shares (any such Business Day referred to in this sentence, an “Optional Redemption Date”), the Corporation may redeem in whole or from time to time in part the Outstanding Term Preferred Shares of such Series, at a redemption price per Term Preferred Share (the “Optional Redemption Price”) equal to (x) the Liquidation Preference per Term Preferred Share of such Series plus (y) an amount equal to all unpaid dividends and distributions on such Term Preferred Share of such Series accumulated to (but excluding) the Optional Redemption Date (whether or not earned or declared by the Corporation, but excluding interest thereon) plus (z) the Optional Redemption Premium per share (if any) with respect to an optional redemption of Term Preferred Shares of such Series that is effected on such Optional Redemption Date.

(ii) If fewer than all of the outstanding shares of a Series of Term Preferred Shares are to be redeemed pursuant to Section 2.5(c)(i), the shares of such Series to be redeemed shall be selected either (A) pro rata among such Series, (B) by lot or (C) in such other manner as the Board of Directors may determine to be fair and equitable. Subject to the provisions of these Articles Supplementary and applicable law, the Board of Directors will have the full power and authority to prescribe the terms and conditions upon which Term Preferred Shares will be redeemed pursuant to this Section 2.5(c) from time to time.

(iii) The Corporation may not on any date deliver a Notice of Redemption pursuant to Section 2.5(d) in respect of a redemption contemplated to be effected pursuant to this Section 2.5(c) unless on such date the Corporation has available Deposit Securities for the Optional Redemption Date contemplated by such Notice of Redemption having a Market Value not less than the amount (including any applicable premium) due to Holders of Term Preferred Shares by reason of the redemption of such Term Preferred Shares on such Optional Redemption Date.

(d) Procedures for Redemption.

(i) If the Corporation shall determine or be required to redeem, in whole or in part, Term Preferred Shares of a Series pursuant to Section 2.5(a), (b) or (c), the Corporation shall deliver a notice of redemption (the "Notice of Redemption"), by overnight delivery, by first class mail, postage prepaid or by Electronic Means to Holders thereof, or request the Redemption and Paying Agent, on behalf of the Corporation, to promptly do so by overnight delivery, by first class mail, postage prepaid or by Electronic Means. A Notice of Redemption shall be provided not more than forty-five (45) calendar days prior to the date fixed for redemption in such Notice of Redemption (the "Redemption Date"). Each such Notice of Redemption shall state: (A) the Redemption Date; (B) the Series and number of Term Preferred Shares to be redeemed; (C) the CUSIP number for Term Preferred Shares of such Series; (D) the applicable Redemption Price on a per share basis; (E) if applicable, the place or places where the certificate(s) for such shares (properly endorsed or assigned for transfer, if the Board of Directors requires and the Notice of Redemption states) are to be surrendered for payment of the Redemption Price; (F) that dividends on the Term Preferred Shares to be redeemed will cease to accumulate from and after such Redemption Date; and (G) the provisions of these Articles Supplementary under which such redemption is made. If fewer than all Term Preferred Shares held by any Holder are to be redeemed, the Notice of Redemption delivered to such Holder shall also specify the number of Term Preferred Shares to be redeemed from such Holder or the method of determining such number. The Corporation may provide in any Notice of Redemption relating to a redemption contemplated to be effected pursuant to these Articles Supplementary that such redemption is subject to one or more conditions precedent and that the Corporation shall not be required to effect such redemption unless each such condition has been satisfied at the time or times and in the manner specified in such Notice of Redemption. No defect in the Notice of Redemption or delivery thereof shall affect the validity of redemption proceedings, except as required by applicable law.

(ii) If the Corporation shall give a Notice of Redemption, then at any time from and after the giving of such Notice of Redemption and prior to 12:00 noon, New York City time, on the Redemption Date (so long as any conditions precedent to such redemption have been met or waived by the Corporation), the Corporation shall (A) deposit with the Redemption and Paying Agent Deposit Securities having an aggregate Market Value on the date thereof no less than the Redemption Price of the Term Preferred Shares to be redeemed on the Redemption Date and (B) give the Redemption and Paying Agent irrevocable instructions and authority to pay the applicable Redemption Price to the Holders of the Term Preferred Shares called for redemption on the Redemption Date. The Corporation may direct the Redemption and Paying Agent with respect to the investment of any Deposit Securities consisting of cash so deposited prior to the Redemption Date, provided that the proceeds of any such investment shall be available at the opening of business on the Redemption Date as same day funds.

(iii) Upon the date of the deposit of such Deposit Securities, all rights of the Holders of the Term Preferred Shares so called for redemption shall cease and terminate except the right of the Holders thereof to receive the Redemption Price thereof and such Term Preferred Shares shall no longer be deemed Outstanding for any purpose whatsoever (other than (A) the transfer thereof prior to the applicable Redemption Date and (B) the accumulation of dividends thereon in accordance with the terms hereof up to (but excluding) the applicable Redemption Date, which accumulated dividends, unless previously or contemporaneously declared and paid as contemplated by the last sentence of Section 2.5(d)(vi) below, shall be payable only as part of the applicable Redemption Price on the Redemption Date). The Corporation shall be entitled to receive, promptly after the Redemption Date, any Deposit Securities in excess of the aggregate Redemption Price of the Term Preferred Shares called for redemption on the Redemption Date. Any Deposit Securities so deposited that are unclaimed at the end of ninety

(90) calendar days from the Redemption Date shall, to the extent permitted by law, be repaid to the Corporation, after which the Holders of the Term Preferred Shares so called for redemption shall look only to the Corporation for payment of the Redemption Price thereof. The Corporation shall be entitled to receive, from time to time after the Redemption Date, any interest on the Deposit Securities so deposited.

(iv) On or after the Redemption Date, each Holder of Term Preferred Shares in certificated form (if any) that are subject to redemption shall surrender the certificate(s) evidencing such Term Preferred Shares to the Corporation at the place designated in the Notice of Redemption and shall then be entitled to receive the Redemption Price for such Term Preferred Shares, without interest, and in the case of a redemption of fewer than all the Term Preferred Shares represented by such certificate(s), a new certificate representing the Term Preferred Shares that were not redeemed.

(v) Notwithstanding the other provisions of this Section 2.5, except as otherwise required by law, the Corporation shall not redeem any Term Preferred Shares unless all accumulated and unpaid dividends and distributions on all Outstanding Term Preferred Shares and other series of Preferred Shares ranking on a parity with the Term Preferred Shares with respect to dividends and distributions for all applicable past dividend periods (whether or not earned or declared by the Corporation) (x) shall have been or are contemporaneously paid or (y) shall have been or are contemporaneously declared and Deposit Securities or sufficient funds (in accordance with the terms of such Preferred Stock) for the payment of such dividends and distributions shall have been or are contemporaneously deposited with the Redemption and Paying Agent or other applicable paying agent for such Preferred Stock in accordance with the terms of such Preferred Stock, provided, however, that the foregoing shall not prevent the purchase or acquisition of Outstanding Term Preferred Shares pursuant to an otherwise lawful purchase or exchange offer made on the same terms to Holders of all Outstanding Term Preferred Shares and any other series of Preferred Stock for which all accumulated and unpaid dividends and distributions have not been paid.

(vi) To the extent that any redemption for which Notice of Redemption has been provided is not made by reason of the absence of legally available funds therefor in accordance with the Articles and applicable law, such redemption shall be made as soon as practicable to the extent such funds become available. No Redemption Default shall be deemed to have occurred if the Corporation shall fail to deposit in trust with the Redemption and Paying Agent the Redemption Price with respect to any shares where (1) the Notice of Redemption relating to such redemption provided that such redemption was subject to one or more conditions precedent and (2) any such condition precedent shall not have been satisfied at the time or times and in the manner specified in such Notice of Redemption. Notwithstanding the fact that a Notice of Redemption has been provided with respect to any Term Preferred Shares, dividends may be declared and paid on such Term Preferred Shares in accordance with their terms if Deposit Securities for the payment of the Redemption Price of such Term Preferred Shares shall not have been deposited in trust with the Redemption and Paying Agent for that purpose.

(c) Redemption and Paying Agent as Trustee of Redemption Payments by Corporation. All Deposit Securities transferred to the Redemption and Paying Agent for payment of the Redemption Price of Term Preferred Shares called for redemption shall be held in trust by the Redemption and Paying Agent for the benefit of Holders of Term Preferred Shares so to be redeemed until paid to such Holders in accordance with the terms hereof or returned to the Corporation in accordance with the provisions of Section 2.5(d)(iii) above.

(f) Compliance With Applicable Law. In effecting any redemption pursuant to this Section 2.5, the Corporation shall use its best efforts to comply with all applicable conditions precedent to effecting such redemption under the 1940 Act and any applicable Maryland law, but shall effect no redemption except in accordance with the 1940 Act and any applicable Maryland law.

(g) Modification of Redemption Procedures. Notwithstanding the foregoing provisions of this Section 2.5, the Corporation may, in its sole discretion and without a shareholder vote, modify the procedures set forth above with respect to notification of redemption for the Term Preferred Shares, provided that such modification does not materially and adversely affect the Holders of the Term Preferred Shares or cause the Corporation to violate any applicable law, rule or regulation; and provided

further that no such modification shall in any way alter the rights or obligations of the Redemption and Paying Agent without its prior consent.

2.6 Voting Rights.

(a) One Vote Per Term Preferred Share. Except as otherwise provided in the Articles or as otherwise required by law, (i) each Holder of Term Preferred Shares shall be entitled to one vote for each Term Preferred Share held by such Holder on each matter submitted to a vote of shareholders of the Corporation, and (ii) the holders of outstanding shares of Preferred Stock, including Outstanding Term Preferred Shares, and of outstanding shares of Common Stock shall vote together as a single class; provided, however, that the holders of outstanding shares of Preferred Stock, including Outstanding Term Preferred Shares, shall be entitled, as a class, to the exclusion of the Holders of all other securities and classes of Capital Stock of the Corporation, to elect two Directors of the Corporation at all times. Subject to Section 2.6(b), the Holders of outstanding shares of Common Stock and Preferred Stock, including Term Preferred Shares, voting together as a single class, shall elect the balance of the Directors.

(b) Voting For Additional Directors.

(i) Voting Period. During any period in which any one or more of the conditions described in clauses (A) or (B) of this Section 2.6(b)(i) shall exist (such period being referred to herein as a “Voting Period”), the number of Directors constituting the Board of Directors shall be automatically increased by the smallest number that, when added to the two Directors elected exclusively by the Holders of Preferred Stock, including Term Preferred Shares, would constitute a majority of the Board of Directors as so increased by such smallest number; and the Holders of Preferred Shares, including Term Preferred Shares, shall be entitled, voting as a class on a one-vote-per-share basis (to the exclusion of the Holders of all other securities and classes of capital stock of the Corporation), to elect such smallest number of additional Directors, together with the two Directors that such Holders are in any event entitled to elect. A Voting Period shall commence:

(A) if, at the close of business on any dividend payment date for any outstanding Preferred Share including any Outstanding Term Preferred Share, accumulated dividends (whether or not earned or declared) on such outstanding share of Preferred Stock equal to at least two (2) full years’ dividends shall be due and unpaid and sufficient cash or specified securities shall not have been deposited with the Redemption and Paying Agent or other applicable paying agent for the payment of such accumulated dividends; or

(B) if at any time Holders of shares of Preferred Stock are otherwise entitled under the 1940 Act to elect a majority of the Board of Directors.

Upon the termination of a Voting Period, the voting rights described in this Section 2.6(b)(i) shall cease, subject always, however, to the revesting of such voting rights in the Holders of shares of Preferred Stock upon the further occurrence of any of the events described in this Section 2.6(b)(i).

(ii) Notice of Special Meeting. As soon as practicable after the accrual of any right of the Holders of shares of Preferred Stock to elect additional Directors as described in Section 2.6(b)(i), the Corporation shall call a special meeting of such Holders and notify the Redemption and Paying Agent and/or such other Person as is specified in the terms of such Preferred Stock to receive notice (i) by mailing or delivery by Electronic Means or (ii) in such other manner and by such other means as are specified in the terms of such Preferred Stock, a notice of such special meeting to such Holders, such meeting to be held not less than ten (10) nor more than thirty (30) calendar days after the date of the delivery by Electronic Means or mailing of such notice. If the Corporation fails to call such a special meeting, it may be called at the expense of the Corporation by any such Holder on like notice. The record date for determining the Holders of shares of Preferred Stock entitled to notice of and to vote at such special meeting shall be the close of business on the fifth (5th) Business Day preceding the calendar day on which such notice is mailed. At any such special meeting and at each meeting of Holders of shares of Preferred Stock held during a Voting Period at which Directors are to be elected, such Holders, voting together as a class (to the exclusion of the Holders of all other securities and classes of capital stock of the Corporation), shall be entitled to elect the number of Directors prescribed in Section 2.6(b)(i) on a one-vote-per-share basis.

(iii) Terms of Office of Existing Directors. The terms of office of the incumbent Directors of the Corporation at the time of a special meeting of Holders of the shares of Preferred Stock to elect additional Directors in accordance with Section 2.6(b)(i) shall not be affected by the election at such meeting by the Holders of Term Preferred Shares and such other Holders of shares of Preferred Stock of the number of Directors that they are entitled to elect, and the Directors so elected by the Holders of Term Preferred Shares and such other Holders of shares of Preferred Stock, together with the two (2) Directors elected by the Holders of shares of Preferred Stock in accordance with Section 2.6(a) hereof and the remaining Directors elected by the holders of the shares of Common Stock and Preferred Stock, shall constitute the duly elected Directors of the Corporation.

(iv) Terms of Office of Certain Directors to Terminate Upon Termination of Voting Period. Simultaneously with the termination of a Voting Period, the terms of office of the additional Directors elected by the Holders of the shares of Preferred Stock pursuant to Section 2.6(b)(i) shall terminate, the remaining Directors shall constitute the Directors of the Corporation and the voting rights of the Holders of shares of Preferred Stock to elect additional Directors pursuant to Section 2.6(b)(i) shall cease, subject to the provisions of the last sentence of Section 2.6(b)(i).

(c) Holders of Term Preferred Shares to Vote on Certain Matters.

(i) Certain Amendments Requiring Approval of Term Preferred Shares. Except as otherwise permitted by the terms of these Articles Supplementary, so long as any Term Preferred Shares are Outstanding, the Corporation shall not, without the affirmative vote or consent of the Holders of at least two-thirds (2/3) of the Term Preferred Shares of all Series Outstanding at the time, voting together as a separate class, amend, alter or repeal the provisions of the Articles, or these Articles Supplementary, whether by merger, consolidation or otherwise, so as to materially and adversely affect any preference, right or power of such Term Preferred Shares or the Holders thereof; provided, however, that (i) a change in the capitalization of the Corporation in accordance with Section 2.8 hereof shall not be considered to materially and adversely affect the rights and preferences of the Term Preferred Shares, and (ii) a division of a Term Preferred Share shall be deemed to affect such preferences, rights or powers only if the terms of such division materially and adversely affect the Holders of the Term Preferred Shares. For purposes of the foregoing, no matter shall be deemed to adversely affect any preference, right or power of a Term Preferred Share of such Series or the Holder thereof unless such matter (i) alters or abolishes any preferential right of such Term Preferred Share, or (ii) creates, alters or abolishes any right in respect of redemption of such Term Preferred Share (other than as a result of a division of a Term Preferred Share). So long as any Term Preferred Shares are Outstanding, the Corporation shall not, without the affirmative vote or consent of at least 66²/₃% of the Holders of the Term Preferred Shares Outstanding at the time, voting as a separate class, file a voluntary application for relief under Federal bankruptcy law or any similar application under state law for so long as the Corporation is solvent and does not foresee becoming insolvent.

(ii) 1940 Act Matters. Unless a higher percentage is provided for in the Articles, the affirmative vote of the Holders of at least “a majority of the outstanding shares of Preferred Stock,” including Term Preferred Shares Outstanding at the time, voting as a separate class, shall be required (A) to approve the Corporation ceasing to be a Businesses Development Company, or to approve the Corporation’s withdrawal of its election as a Businesses Development Company, or (B) to approve any plan of reorganization (as such term is used in the 1940 Act) adversely affecting such shares. For purposes of the foregoing, the vote of a “majority of the outstanding shares of Preferred Stock” means the vote at an annual or special meeting duly called of (i) sixty-seven percent (67%) or more of such shares present at a meeting, if the Holders of more than fifty percent (50%) of such shares are present or represented by proxy at such meeting, or (ii) more than fifty percent (50%) of such shares, whichever is less.

(iii) Certain Amendments Requiring Approval of Specific Series of Term Preferred Shares. Except as otherwise permitted by the terms of these Articles Supplementary, so long as any Term Preferred Shares of a Series are Outstanding, the Corporation shall not, without the affirmative vote or consent of the Holders of at least two-thirds (2/3) of the Term Preferred Shares of such Series, Outstanding at the time, voting as a separate class, amend, alter or repeal the provisions of the Appendix relating to such Series, whether by merger, consolidation or otherwise, so as to materially and adversely affect any preference, right or power set forth in such Appendix of the Term Preferred Shares of such Series or the Holders thereof; provided, however, that

(i) a change in the capitalization of the Corporation in accordance with Section 2.8 hereof shall not be considered to materially and adversely affect the rights and preferences of the Term Preferred Shares of such Series, and (ii) a division of a Term Preferred Share shall be deemed to affect such preferences, rights or powers only if the terms of such division materially and adversely affect the Holders of the Term Preferred Shares of such Series; and provided, further, that no amendment, alteration or repeal of the obligation of the Corporation to (x) pay the Term Redemption Price on the Term Redemption Date for a Series, or (y) accumulate dividends at the Dividend Rate (as set forth in these Articles Supplementary and the applicable Appendix hereto) for a Series shall be effected without, in each case, the prior unanimous vote or consent of the Holders of such Series of Term Preferred Shares. For purposes of the foregoing, no matter shall be deemed to adversely affect any preference, right or power of a Term Preferred Share of a Series or the Holder thereof unless such matter (i) alters or abolishes any preferential right of such Term Preferred Share, or (ii) creates, alters or abolishes any right in respect of redemption of such Term Preferred Share.

(d) Voting Rights Set Forth Herein Are Sole Voting Rights. Unless otherwise required by law or the Articles, the Holders of Term Preferred Shares shall not have any relative rights or preferences or other special rights with respect to voting other than those specifically set forth in this Section 2.6.

(e) No Cumulative Voting. The Holders of Term Preferred Shares shall have no rights to cumulative voting.

(f) Voting for Directors Sole Remedy for Corporation's Failure to Declare or Pay Dividends. In the event that the Corporation fails to declare or pay any dividends on any Series of Term Preferred Shares on the Dividend Payment Date therefor, the exclusive remedy of the Holders of the Term Preferred Shares shall be the right to vote for Directors pursuant to the provisions of this Section 2.6. Nothing in this Section 2.6(f) shall be deemed to affect the obligation of the Corporation to accumulate and, if permitted by applicable law, the Articles and these Articles Supplementary, pay dividends at the Default Rate in the circumstances contemplated by Section 2.2(g) hereof.

(g) Holders Entitled to Vote. For purposes of determining any rights of the Holders of Term Preferred Shares to vote on any matter, whether such right is created by these Articles Supplementary, by the Articles, by statute or otherwise, no Holder of Term Preferred Shares shall be entitled to vote any Term Preferred Share and no Term Preferred Share shall be deemed to be "Outstanding" for the purpose of voting or determining the number of shares required to constitute a quorum if, prior to or concurrently with the time of determination of shares entitled to vote or the time of the actual vote on the matter, as the case may be, the requisite Notice of Redemption with respect to such Term Preferred Share shall have been given in accordance with these Articles Supplementary and Deposit Securities for the payment of the Redemption Price of such Term Preferred Share shall have been deposited in trust with the Redemption and Paying Agent for that purpose. No Term Preferred Share held by the Corporation shall have any voting rights or be deemed to be outstanding for voting or for calculating the voting percentage required on any other matter or other purposes.

2.7 Issuance of Additional Preferred Stock

So long as any Term Preferred Shares are Outstanding, the Corporation may, without the vote or consent of the Holders thereof, authorize, establish and create and issue and sell shares of one or more series of a class of senior securities of the Corporation representing stock under Sections 18 and 61 of the 1940 Act, ranking on a parity with Term Preferred Shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or the winding up of the affairs of the Corporation, in addition to then Outstanding Series of Term Preferred Shares, including additional Series of Term Preferred Shares, and authorize, issue and sell additional shares of any such series of Preferred Stock then outstanding or so established and created, including additional Term Preferred Shares of any Series, in each case in accordance with applicable law, provided that the Corporation shall, immediately after giving effect to the issuance of such additional shares of Preferred Stock and to its receipt and application of the proceeds thereof, including to the redemption of shares of Preferred Stock with such proceeds, have Asset Coverage (calculated in the same manner as is contemplated by Section 2.4(b) hereof) of at least 200%.

2.8 Status of Redeemed or Repurchased Term Preferred Shares.

Term Preferred Shares that at any time have been redeemed or purchased by the Corporation shall, after such redemption or purchase, have the status of authorized but unissued shares of Capital Stock.

2.9 Global Certificate.

Prior to the commencement of a Voting Period, (i) all shares of any Series of Term Preferred Shares Outstanding from time to time shall be represented by one global certificate for such Series registered in the name of the Securities Depository or its nominee and (ii) no registration of transfer of shares of such Series of Term Preferred Shares shall be made on the books of the Corporation to any Person other than the Securities Depository or its nominee. The foregoing restriction on registration of transfer shall be conspicuously noted on the face or back of the global certificates.

2.10 Notice.

All notices or communications hereunder, unless otherwise specified in these Articles Supplementary, shall be sufficiently given if in writing and delivered in person, by telecopier, by Electronic Means or by overnight mail or delivery or mailed by first-class mail, postage prepaid. Notices delivered pursuant to this Section 2.10 shall be deemed given on the date received or, if mailed by first class mail, on the date five (5) calendar days after which such notice is mailed.

2.11 Termination.

In the event that no shares of a Series of Term Preferred Shares are Outstanding, all rights and preferences of the shares of such Series established and designated hereunder shall cease and terminate, and all obligations of the Corporation under these Articles Supplementary with respect to such Series shall terminate.

2.12 Appendices.

The designation of each Series of Term Preferred Shares shall be set forth in an Appendix to these Articles Supplementary. The Board of Directors may, by resolution duly adopted, without shareholder approval (except as otherwise provided by these Articles Supplementary or required by applicable law) (1) amend the Appendix to these Articles Supplementary relating to a Series so as to reflect any amendments to the terms applicable to such Series including an increase in the number of authorized shares of such Series and (2) add additional Series of Term Preferred Shares by including a new Appendix to these Articles Supplementary relating to such Series.

2.13 Actions on Other than Business Days

Unless otherwise provided herein, if the date for making any payment, performing any act or exercising any right, in each case as provided for in these Articles Supplementary, is not a Business Day, such payment shall be made, act performed or right exercised on the next succeeding Business Day, with the same force and effect as if made or done on the nominal date provided therefor, and, with respect to any payment so made, no dividends, interest or other amount shall accrue for the period between such nominal date and the date of payment.

2.14 Modification.

The Board of Directors, without the vote of the Holders of Term Preferred Shares, may interpret, supplement or amend the provisions of these Articles Supplementary or any Appendix hereto to supply any omission, resolve any inconsistency or ambiguity or to cure, correct or supplement any defective or inconsistent provision, including any provision that becomes defective after the date hereof because of impossibility of performance or any provision that is inconsistent with any provision of any other Capital Stock of the Corporation.

2.15 No Additional Rights.

Unless otherwise required by law or the Articles, the Holders of Term Preferred Shares shall not have any relative rights or preferences or other special rights other than those specifically set forth in these Articles Supplementary.

Janney Montgomery Scott LLC
As representative of the underwriters named in Exhibit A
1801 Market Street
Philadelphia, PA 19103

Ladies and Gentlemen:

Gladstone Capital Corporation, a Maryland corporation (the "**Company**"), Gladstone Management Corporation, a Delaware corporation (the "**Adviser**"), and Gladstone Administration LLC, a Delaware limited liability company (the "**Administrator**") each confirms with Janney Montgomery Scott LLC ("**JMS**") and each of the other underwriters named in Exhibit A hereto (collectively, the "**Underwriters**," which term shall also include any underwriter substituted as hereinafter provided in Section 8 hereof), for whom JMS is acting as the representative (in such capacity, the "**Representative**"), with respect to the issuance and sale by the Company of a total of 1,400,000 shares (the "**Initial Securities**") of the Company's preferred stock, par value \$0.001 per share (the "**Preferred Stock**"), and the purchase by the Underwriters, acting severally and not jointly, of the respective numbers of Initial Securities set forth opposite their respective names in Exhibit A hereto, and with respect to the grant by the Company to the Underwriters of the option described in Section 3(b) hereof to purchase all or any part of 210,000 additional shares of Preferred Stock (the "**Option Securities**") to cover over-allotments, if any. The Initial Securities to be purchased by the Underwriters and all or any part of the Option Securities are hereinafter called, collectively, the "**Securities**." Certain terms used in this Agreement are defined in Section 20.

The Company has entered into an amended and restated investment advisory and management agreement, dated as of October 1, 2006 (the "**Investment Advisory Agreement**"), with the Adviser under the Investment Advisers Act of 1940, as amended, and the rules and regulations thereunder (collectively, the "**Advisers Act**"). The Company has entered into an administration agreement, dated as of October 1, 2006 (the "**Administration Agreement**"), with the Administrator.

The Company has filed, pursuant to the 1933 Act, with the Commission a registration statement on Form N-2 (File No. 333-162592), which registers the offer and sale of certain securities to be issued from time to time by the Company, including the Securities.

The registration statement as amended, including the exhibits and schedules thereto, at the time it became effective on July 15, 2011 and any post-effective amendment thereto, is hereinafter referred to as the "**Registration Statement**." The prospectus included in the Registration Statement at the time it became effective is hereinafter referred to as the "**Base Prospectus**." The Company has prepared and filed with the Commission in accordance with Rule 497 under the 1933 Act a "**Preliminary Prospectus Supplement**," which means the preliminary prospectus supplement used in connection with the offer of the Securities and filed with the Commission pursuant to Rule 497 prior to execution and delivery of this Agreement. "**Final Prospectus Supplement**" means the prospectus supplement containing all information omitted from the Base Prospectus and Preliminary Prospectus Supplement pursuant to Rules 430B or 430C which will be filed with the Commission pursuant to Rule 497. "**Prospectus**" means, collectively, the Base Prospectus and Final Prospectus Supplement. Any reference herein to the Registration Statement, the Base Prospectus, the Preliminary Prospectus Supplement, the Final Prospectus Supplement or the Prospectus shall be deemed to refer to and include any supplements or amendments thereto, filed with the Commission after the date of filing of the Final Prospectus Supplement under Rule 497 under the 1933 Act, and prior to the termination of the offering of the Securities by the Underwriters.

All references in this Agreement to the Registration Statement, the Prospectus or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System ("**EDGAR**").

In consideration of the mutual agreements contained herein and of the interests of the parties in the transactions contemplated hereby, the parties hereby agree as follows:

1. **Representations and Warranties of the Company.** The Company, the Adviser and the Administrator, jointly and severally, represent and warrant to and agree with the Underwriters as of the date of this Agreement, as of the Applicable Time, as of the Closing Date and as of each Option Closing Date (as such term is defined in Section 3(b) hereof), as follows:

(a) A registration statement on Form N-2 File No. 333-162592 with respect to the Securities has been prepared by the Company in conformity with the requirements of the 1933 Act, has been filed with the Commission and has been declared effective. The Company meets the requirements of and complies with the conditions for the use of Form N-2 under the 1933 Act. Copies of the Registration Statement, including any amendments thereto, the preliminary prospectuses (meeting the requirements of the Rules and Regulations) contained therein and the exhibits, financial statements and schedules, as finally amended and revised, have heretofore been delivered by the Company to the Representative. The Registration Statement shall be deemed to include all information omitted therefrom in reliance upon Rules 430A, 430B or 430C under the 1933 Act and contained in the Base Prospectus or Preliminary Prospectus Supplement referred to below.

As of the Applicable Time (as defined below), the Base Prospectus and the Preliminary Prospectus Supplement and the information included or Exhibit B hereto, all considered together (collectively, the "**General Disclosure Package**"), and as of the date of its effectiveness, the Registration Statement, did not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to information contained in or omitted from the General Disclosure Package or the Registration Statement in reliance upon, and in conformity with, written information furnished to the Company by or on behalf of the Underwriters through the Representative, specifically for use therein, it being understood and agreed that the only such information is that described in Section 7 herein. As of the Closing Date (defined below) and as of each Option Closing Date, the Registration Statement, the General Disclosure Package and the Prospectus will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to information contained in or omitted from the Registration Statement, the General Disclosure Package or the Prospectus in reliance upon, and in conformity with, written information furnished by or on behalf of any Underwriters through the Representative, specifically for use therein, it being understood and agreed that the only such information is that described in Section 7 herein. As used in this subsection and elsewhere in this Agreement, the term "**Applicable Time**" means 1:00 p.m. (New York time) on the date of this Agreement or such other time as agreed to by the Company and the Representative.

The Commission has not issued an order preventing or suspending the use of the Base Prospectus, the Preliminary Prospectus Supplement or the Prospectus relating to the proposed offering of the Securities, and no proceeding for that purpose or pursuant to Section 8A of the 1933 Act has been instituted or, to the Company's knowledge, threatened by the Commission. The Registration Statement contains, and the Prospectus and any amendments or supplements thereto contain and will contain, all statements which are required to be stated therein by, and conform, and will conform to, the requirements of the 1933 Act. The Registration Statement and any amendment thereto do not, and will not, contain any untrue statement of a material fact and do not omit, and will not omit, to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Prospectus and any amendments and supplements thereto do not contain, and will not contain, any untrue statement of a material fact; and do not omit, and will not omit, to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to information contained in or omitted from the Registration Statement or the Prospectus, or any such amendment or supplement, in reliance upon, and in conformity with, written information furnished to the Company by or on behalf of any Underwriters through the Representative, specifically for use therein, it being understood and agreed that the only such information is that described in Section 7 herein.

(b) The Company has been duly organized and is validly existing as a corporation in good standing under the laws of the State of Maryland, with corporate power and authority to own or lease its properties and conduct its business as currently carried on and described in the Registration Statement, the General Disclosure Package, and the Prospectus. Each of the Company's subsidiaries (collectively, the "**Subsidiaries**") has been duly organized and is validly existing as a limited liability company or corporation in good standing under the laws of its jurisdiction of organization, with all requisite power and authority to own or lease its properties and conduct its business as currently carried on and described in the Registration Statement, the General Disclosure Package and the Prospectus, except where the Subsidiaries' failure to be so qualified would not (i) have, individually or in the

aggregate, a material adverse effect on the earnings, business, properties, assets, rights, operations, condition (financial or otherwise) or prospects of the Company and the Subsidiaries, taken as a whole, or (ii) prevent the consummation of the transactions contemplated hereby (the occurrence of any such effect or any such prevention described in the foregoing clauses (i) and (ii) being referred to as a “**Company Material Adverse Effect**”). Each of the Company and each of the Subsidiaries are duly qualified to transact business in all jurisdictions in which the conduct of its business requires such qualification. The outstanding shares of capital stock of each of the Subsidiaries have been duly authorized and validly issued, are fully paid and non-assessable and are wholly owned by the Company or another Subsidiary free and clear of all liens, encumbrances and equities and claims; and no options, warrants or other rights to purchase, agreements or other obligations to issue or other rights to convert any obligations into shares of capital stock or ownership interests in the Subsidiaries are outstanding. As of June 30, 2011, the Company did not own, directly or indirectly, any shares of stock or any other equity or long-term debt securities of any corporation or other entity other than those corporations or other entities described in the Registration Statement, the General Disclosure Package, and the Prospectus under the caption “Portfolio Companies” (each a “**Portfolio Company**” and collectively, the “**Portfolio Companies**”) and the Subsidiaries listed in Item 28 of the Registration Statement. Except as otherwise disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, as of the respective dates set forth therein, the Company does not control (as such term is defined in Section 2(a)(9) of the 1940 Act) any of the Portfolio Companies.

(c) The outstanding shares of Common Stock have been duly authorized and validly issued and are fully paid and non-assessable; the Securities to be issued and sold by the Company hereunder have been duly authorized and, when issued and paid for as contemplated herein, will be validly issued, fully paid and non-assessable; and no preemptive rights of stockholders exist with respect to any of the Securities or the issue and sale thereof. Neither the filing of the Registration Statement nor the offering or sale of the Securities as contemplated by this Agreement gives rise to any rights, other than those which have been waived or satisfied, for or relating to the registration of any shares of Preferred Stock or any other class of securities of the Company.

(d) The information set forth under the caption “Description of Our Securities” in the Registration Statement, the General Disclosure Package and the Prospectus is true and correct. All of the Securities conform to the description thereof contained in the Registration Statement, the General Disclosure Package and the Prospectus. The form of certificates for the Securities conforms to the General Corporation Law of the State of Maryland, to any requirements of the Company’s organizational documents, and to the listing requirements for the New York Stock Exchange (the “**NYSE**”). Subsequent to the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise specifically stated therein or in this Agreement or as would not reasonably be expected to result in a Company Material Adverse Effect, the Company has not: (i) issued any securities or incurred any liability or obligation, direct or contingent, for borrowed money; or (ii) declared or paid any dividend or made any other distribution on or in respect to its capital stock.

(e) The Company has duly authorized, executed and delivered and currently is a party to or payee with respect to the promissory notes and other agreements evidencing the investments described in the Registration Statement, the General Disclosure Package and the Prospectus under the caption “Portfolio Companies” (each a “**Portfolio Company Agreement**”). Except as otherwise disclosed in the Registration Statement, the General Disclosure Package and the Prospectus, and to the Company’s knowledge, each Portfolio Company is current in all material respects with all its obligations under the applicable Portfolio Company Agreements, no event of default (or a default which with the giving of notice or the passage of time would become an event of default) has occurred under such agreements, except to the extent that any such failure to be current in its obligations and any such default would not reasonably be expected to result in a Company Material Adverse Effect.

(f) The Company has not, directly or indirectly, distributed and will not distribute any offering material in connection with the offering and sale of the Securities other than the Registration Statement, the General Disclosure Package and the Prospectus or other materials, if any, permitted by the 1933 Act or the 1940 Act.

(g) The consolidated financial statements of the Company and the Subsidiaries, together with related notes and schedules as set forth in the Registration Statement, the General Disclosure Package and the Prospectus, present fairly the financial position and the results of operations and cash flows of the Company and the consolidated Subsidiaries, at the indicated dates and for the indicated periods. Such financial statements and related schedules have been prepared in accordance with generally accepted principles of accounting (“**GAAP**”), consistently applied throughout the periods involved, except as disclosed therein, and all adjustments necessary for a fair presentation of results for such periods have been made. The summary and selected consolidated financial and statistical data included in the Registration Statement, the General Disclosure Package and the Prospectus present fairly the information shown therein, and such data has been compiled on a basis consistent with the financial statements presented therein and the books and records of the Company. All disclosures contained in the Registration Statement, the General Disclosure Package and the Prospectus regarding “non-GAAP financial measures” (as such term is defined by the 1933 Act) comply with Regulation G of

the Exchange Act and Item 10 of Regulation S-K under the 1933 Act, to the extent applicable. The Company and the Subsidiaries do not have any material liabilities or obligations, direct or contingent (including any off-balance sheet obligations or any “variable interest entities” within the meaning of the Financial Accounting Standards Board’s Accounting Standards Codification Topic 810, which are not disclosed in the Registration Statement, the General Disclosure Package and the Prospectus. There are no financial statements (historical or pro forma) that are required to be included in the Registration Statement or the Prospectus that are not included as required.

(c) The Adviser is duly registered with the Commission as an investment adviser under the Advisers Act and is not prohibited by the Advisers Act or the 1940 Act from acting under the Investment Advisory Agreement for the Company as contemplated by the Registration Statement, the General Disclosure Package and the Prospectus. There does not exist any proceeding or, to the Adviser's knowledge, any facts or circumstances the existence of which could reasonably be expected to lead to any proceeding, which might adversely affect the registration of the Adviser with the Commission.

(d) There is no action, suit or proceeding or, to the knowledge of the Adviser, the Administrator or any of their subsidiaries, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Adviser or the Administrator, threatened, against or affecting the Adviser or the Administrator which is required to be disclosed in the Registration Statement, the General Disclosure Package or the Prospectus (other than as disclosed therein), or which would reasonably be expected to result in an Adviser Material Adverse Effect or Administrator Material Adverse Effect, or which would reasonably be expected to materially and adversely affect the consummation of the transactions contemplated in this Agreement, the Investment Advisory Agreement or the Administration Agreement; the aggregate of all pending legal or governmental proceedings to which the Adviser is a party or of which any of their respective property or assets is the subject which are not described in the Registration Statement and/or the Prospectus, including ordinary routine litigation incidental to their business, would not reasonably be expected to result in an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable.

(f) This Agreement, the Investment Advisory Agreement and the Administration Agreement have been duly authorized, executed and delivered by the Adviser or the Administrator, as applicable. (g) No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Adviser of its obligations

hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions contemplated by this Agreement, (including the use of the proceeds from the sale of the Securities as described in the Registration Statement, the General Disclosure Package and the Prospectus under the caption "Use of Proceeds"), except such as have been already obtained under the 1933 Act and the 1940 Act.

(h) The descriptions of the Adviser and the Administrator contained in the Registration Statement, the General Disclosure Package and the Prospectus do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(i) The Adviser and the Administrator possess such licenses issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them ("**Governmental Licenses**"), except where the failure so to possess would not reasonably be expected to, singly or in the aggregate, result in an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable; the Adviser and the Administrator are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, singly or in the aggregate, result in an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable; all of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, singly or in the aggregate, result in an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable; and neither the Adviser nor the Administrator has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to result in an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable.

(j) Neither the Adviser nor the Administrator is aware that (i) any executive, key employee or significant group of employees of the Company, if any, the Adviser or the Administrator, as applicable, plans to terminate employment with the Company, the Adviser or the Administrator or (ii) any such executive or key employee is subject to any non-compete, nondisclosure, confidentiality, employment, consulting or similar agreement that would be violated by the present or proposed business activities of the Company or the Adviser except where such termination or violation would not reasonably be expected to have an Adviser Material Adverse Effect or an Administrator Material Adverse Effect, as applicable.

Payment shall be made to the Company by wire transfer of immediately available funds to a single bank account designated by the Company against delivery to the Representative for the respective accounts of the Underwriters of the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representative, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Initial Securities and the Option Securities, if any, which it has agreed to purchase. The Representative, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Initial Securities or the Option Securities, if any, to be purchased by any Underwriter whose funds have not been received by the Closing Date or the relevant Option Closing Date, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) Certificates for the Initial Securities and the Option Securities, if any, shall be in such denominations and registered in such names as the Representative may request in writing at least two full business days before the Closing Date or the relevant Option Closing Date, as the case may be.

4. Expenses.

(a) The Company agrees to pay the reasonable costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), and the Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, the General Disclosure Package, and the Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the costs and expenses arising out of the marketing of the sale of the Securities to investors; (iv) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (v) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all closing documents printed (or reproduced) and delivered in connection with the offering of the Securities; (vi) the listing of the Securities on the NYSE; (vii) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); and (viii) any filings required to be made with FINRA (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such filings). The Company further agrees to pay: (ix) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including 1940 Act Counsel) for the Company; (x) solely in the event this Agreement is not terminated, the Underwriters' non-accountable expenses equal to \$25,000; and (xi) all other reasonable costs and expenses incurred by the Company, the Adviser or the Administrator incident to the performance by the Company of its obligations hereunder.

(b) Except in the event of a termination of this Agreement pursuant to Section 8, if this agreement is terminated by the Representative at any time prior to the Closing Date in accordance with the terms of this Agreement, the Company shall reimburse the Underwriters for all of their reasonable accountable out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters, in an amount up to \$25,000.

5. Agreements of the Company. The Company agrees with the Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement to the Prospectus or any Rule 462(b) a Registration Statement unless the Company has furnished the Representative a copy for its review prior to filing and will not file any such proposed amendment or supplement to which the Representative reasonably objects. Subject to the foregoing sentence, if the Registration Statement has become or becomes effective pursuant to Rule 430A, or filing of the Prospectus is otherwise required under Rule 497, the Company will cause the Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representative with the Commission pursuant to Rule 497 within the time period prescribed and will provide evidence satisfactory to the Representative of such timely filing. The Company will promptly advise the Representative (1) when the Prospectus, and any supplement thereto, will have been filed (if required) with the Commission pursuant to Rule 497 or when any Rule 462(b) Registration Statement will have been filed with the Commission, (2) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement will have been filed or become effective, (3) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) registration statement, or for any supplement to the Prospectus or for any additional information, (4) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the institution or threatening of any proceeding for that purpose and (5) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the suspension of any such qualification and, if issued, to obtain as soon as possible the withdrawal thereof.

(b) The Company will comply with the requirements of Rule 430B and 430C under the 1933 Act and will notify the Representative immediately, and confirm the notice in writing, of (i) the effectiveness of any post-effective amendment to the Registration Statement or any new registration statement relating to the Securities or the filing of any supplement or amendment to the Prospectus, (ii) the receipt of any comments from the Commission, (iii) any request by the Commission for any amendment to the Registration Statement or the filing of a new registration statement or any amendment or supplement to the Prospectus or for additional information, (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement and (v) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities. The Company will promptly effect the filings required under Rule 497, in the manner and within the time period required by Rule 497, notify the Representative of the filing thereof, and take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 497 was received for filing by the Commission and, in the event that it was not, it will promptly file the Prospectus. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(c) If at any time when the Prospectus is required by the 1933 Act or the Exchange Act to be delivered in connection with sales of the Securities, any event will occur or condition will exist as a result of which it is necessary, in the reasonable opinion of outside counsel to the Underwriters or for the Company, to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the Prospectus in order that the Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it will be necessary, in the reasonable opinion of such outside counsel, at any such time to amend the Registration Statement, to file a new registration statement, or to amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act, the Company will (i) promptly prepare and file with the Commission, such amendment, supplement or new registration statement as may be necessary to correct such statement or omission or to comply with such requirements, provided that the Company shall not make any filing to which the Representative reasonably objects, (ii) use its best efforts to have such amendment or new registration statement declared effective as soon as practicable, and (iii) furnish to the Representative, without charge, such number of copies of such amendment, supplement or new registration statement as the Representative may reasonably request.

(d) The Company will cooperate with the Representative in endeavoring to qualify the Securities for sale under the securities laws of such jurisdictions as the Representative may reasonably have designated in writing and will make such applications, file such documents, and furnish such information as may be reasonably required for that purpose; provided the Company will not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction where it is not now so qualified or required to file such a consent. The Company will, from time to time, prepare and file such statements, reports, and other documents, as are or may be required to continue such qualifications in effect for so long a period as the Representative may reasonably request for distribution of the Securities.

(e) The Company will deliver to, or upon the order of, the Representative, from time to time, as many copies of any Preliminary Prospectus as the Representative may reasonably request. The Company will deliver to, or upon the order of, the Representative during the period when delivery of a Prospectus is required under the 1933 Act, as many copies of the Prospectus in final form, or as thereafter amended or supplemented, as the Representative may reasonably request. The Company will deliver to the Representative at or before the Closing Date, four signed copies of the Registration Statement and all amendments thereto including all exhibits filed therewith, and will deliver to the Representative such number of copies of the Registration Statement (including such number of copies of the exhibits filed therewith that may reasonably be requested) and of all amendments thereto, as the Representative may reasonably request.

(f) The Company will comply with the 1933 Act and the Exchange Act so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and the Prospectus.

(g) If the General Disclosure Package is being used to solicit offers to buy the Securities at a time when the Prospectus is not yet available to prospective purchasers and any event will occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the General Disclosure Package in order to make the statements therein, in the light of the circumstances, under which they were made, not misleading, or to make the statements therein not conflict with the information contained in the Registration Statement then on file, or if it is necessary at any time to amend or supplement the General Disclosure Package to comply with any law, the Company promptly will prepare, file with the Commission (if required) and furnish to the Underwriters and any dealers an appropriate amendment or supplement to the General Disclosure Package.

(h) The Company will make generally available to its security holders, as soon as it is practicable to do so, an earnings statement or statements (which need not be audited), which will satisfy the requirements of Section 11(a) of the 1933 Act and Rule 158 under the 1933 Act and will advise the Representative in writing when such statement has been so made available.

(i) No offering, sale, short sale or other disposition of any shares of Preferred Stock of the Company or other securities convertible into or exchangeable or exercisable for shares of Preferred Stock or derivative of Preferred Stock (or agreement for such) will be made for a period of 60 days after the date of the Prospectus, directly or indirectly, by the Company otherwise than hereunder or with the prior written consent of the Representative. Notwithstanding the foregoing, if (i) during the last 17 days of the 60-day restricted period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or (ii) prior to the expiration of the 60-day restricted period, the Company announces that it will release earnings results during the 16-day period following the last day of the 60-day restricted period, then in each case the restrictions imposed by this Agreement will continue to apply until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of material news or a material event relating to the Company, as the case may be, unless the Representative waives, in writing, such extension.

(j) The Company has caused certain of its executive officers and each director of the Company to furnish to the Representative, on or prior to the date of this agreement, a letter or letters, substantially in the form attached hereto as Exhibit C (the "**Lockup Agreement**").

(k) The Company will apply the net proceeds of its sale of the Securities as set forth in the Registration Statement, the General Disclosure Package and the Prospectus.

(l) The Company will maintain a transfer agent and, if necessary under the jurisdiction of incorporation of the Company, a registrar for the Preferred Stock.

(m) The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Securities, except as may be allowed by law.

(n) The Company, during the period when the Prospectus is required to be delivered under the 1933 Act, will file all documents required to be filed with the Commission pursuant to the 1933 Act, the Exchange Act and the 1940 Act within the time periods required by such act, rule or regulation. To the extent the distribution of Securities has been completed, the Company will not be required to provide the Underwriters with reports it is required to file with the Commission under the Exchange Act.

(o) The Company and the Underwriters will obtain a no objection letter from FINRA regarding the fairness and reasonableness of the underwriting terms and arrangements.

6. **Conditions to the Underwriters' Obligations.** The obligations of the Underwriters to purchase the Securities on the Closing Date and the Option Securities, if any, on the Option Closing Date are subject to the accuracy, as of the Applicable Time, the Closing Date or the Option Closing Date, as the case may be, of the representations and warranties of the Company, the Adviser and the Administrator contained herein, and to the performance by the Company of its covenants and obligations hereunder and to the following additional conditions:

(a) The Registration Statement and all post-effective amendments thereto shall have become effective and the Prospectus shall have been filed as required by Rules 430A, 430B, 430C or 497 under the 1933 Act, as applicable, within the time period prescribed by, and in compliance with, the Rules and Regulations, and any request of the Commission for additional information (to be included in the Registration Statement or otherwise) shall have been disclosed to the Representative and complied with to its reasonable satisfaction. No stop order suspending the effectiveness of the Registration Statement, as amended from time to time, shall have been issued and no proceedings for that purpose or pursuant to Section 8A under the 1933 Act shall have been taken or, to the knowledge of the Company, shall be contemplated or threatened by the Commission and no injunction, restraining order or order of any nature by a Federal or state court of competent jurisdiction shall have been issued as of the Closing Date which would prevent the issuance of the Securities.

(b) The Representative shall have received on the Closing Date or the Option Closing Date, as the case may be, the opinions and negative assurance of Cooley LLP, counsel for the Company (the "**Company Counsel**") dated the Closing Date or the Option Closing Date, as the case may be, addressed to the Representative in form and substance reasonably satisfactory to the Representative.

(c) The Representative shall have received from K&L Gates LLP, special 1940 Act counsel for the Company ("**1940 Act Counsel**") an opinion dated the Closing Date or the Option Closing Date, as the case may be, addressed to the Underwriters, regarding matters relating to the 1940 Act and the Advisers Act and other matters relating to the Adviser substantially in form and substance reasonably satisfactory to the Representative.

(d) The Representative shall have received from Dechert LLP, counsel to Underwriters ("**Underwriters Counsel**") an opinion dated the Closing Date or the Option Closing Date, as the case may be, addressed to the Underwriters, in form and substance reasonably satisfactory to the Representative.

(e) The Representative shall have received, on each of the date hereof, the Closing Date and, if applicable, the Option Closing Date, the letter dated the date hereof, the Closing Date or the Option Closing Date, as the case may be, in form and substance satisfactory to the Representative, of PricewaterhouseCoopers, LLP, confirming that they are an independent registered public accounting firm with respect to the Company and the Subsidiaries within the meaning of the 1933 Act and the PCAOB and stating that in their opinion the financial statements and schedules examined by them and included in the Registration Statement, the General Disclosure Package and the Prospectus comply in form in all material respects with the applicable accounting requirements of the 1933 Act and the related Rules and Regulations; and containing such other statements and information as is ordinarily included in accountants' "comfort letters" to the Underwriters with respect to the financial statements and certain financial and statistical information contained in the Registration Statement, the General Disclosure Package and the Prospectus.

(f) Each of the Company, the Adviser and the Administrator shall have furnished to the Representative, on the Closing Date and, if applicable, the Option Closing Date, as the case may be, a certificate substantially in the form of Exhibit 6(f).

(g) The Lockup Agreements described in Section 5(k) are in full force and effect.

(h) Each of the Company, the Adviser and the Administrator shall have furnished to the Representative such further certificates and documents as the Representative as they may reasonably require for the purpose of enabling the Underwriters to pass upon the issuance and sale of the Securities as herein contemplated.

(i) The Securities and Option Securities, if any, shall have been approved for listing on the NYSE, subject to notice of official issuance.

The opinions and certificates mentioned in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in all material respects satisfactory to the Representative and to Underwriters' Counsel.

If any of the conditions hereinabove provided for in this Section 6 shall not have been fulfilled when and as required by this Agreement to be fulfilled, the obligations of the Underwriters hereunder may be terminated by the Representative by notifying the Company of such termination in writing at or prior to the Closing Date or the Option Closing Date, as the case may be.

In such event, the Company and the Underwriters shall not be under any obligation to each other (except to the extent provided in Sections 4 and 7 hereof).

7. Indemnification and Contribution.

(a) The Company, the Adviser and the Administrator, jointly and severally, agree to indemnify and hold harmless the Underwriters, the directors, officers, employees and agents of the Underwriters and each person who controls the Underwriters within the meaning of either Section 15 of the 1933 Act or Section 20 of the Exchange Act:

(i) against any and all loss, liability, claim, damage and expense whatsoever, arising out of any untrue or alleged untrue statement of a material fact contained in the Registration Statement for the Securities as originally filed or in any amendment thereof (and including any post-effective amendment), the General Disclosure Package or the Prospectus in any sales material (or any amendment or supplement to any of the foregoing), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representative), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use in the Registration Statement (or any amendment thereto), or the General Disclosure Package, any Preliminary Prospectus or the Prospectus (or any amendment or supplement thereto), it being understood and agreed that the only such information furnished by any Underwriter consists of the following information in the Prospectus furnished on behalf of each Underwriter: (i) their names, (ii) the figures appearing in the first and second sentences of the third paragraph of text under the caption "Underwriting" and (iii) the seventh through tenth paragraphs and the twelfth paragraph of text under the caption "Underwriting."

(b) Each Underwriter severally agrees to indemnify and hold harmless the Company, the Adviser and the Administrator, each of their respective directors, each of their respective officers who sign the Registration Statement, and each person who controls the Company, the Adviser and the Administrator within the meaning of either Section 15 of the 1933 Act or Section 20 of the Exchange Act, to the same extent as the indemnity from the Company, the Adviser and the Administrator to the Underwriters set forth in Section 7(a)(i) and the proviso thereto, but only with reference to written information relating to the Underwriters furnished to the Company by or on behalf of the Underwriters specifically for inclusion in the documents referred to in the foregoing indemnity. The Underwriters agree to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any loss, claim, damage, liability or action to which they are entitled to indemnification pursuant to this Section 7(b). This indemnity agreement will be in addition to any liability which the Underwriters may otherwise have.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 7, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing. No indemnification provided for in Section 7.

shall be available to any party who shall fail to give notice as provided in this Section 7(c) if the party to whom notice was not given was unaware of the proceeding to which such notice would have related and was materially prejudiced by the failure to give such notice, but the failure to give such notice shall not relieve the indemnifying party or parties from any liability which it or they may have to the indemnified party for contribution or otherwise than on account of the provisions of Section 7. In case any such proceeding shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party and shall pay as incurred the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel at its own expense. Notwithstanding the foregoing, the indemnifying party shall pay as incurred (or within 30 days of presentation) the fees and expenses of the counsel retained by the indemnified party in the event (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them or (iii) the indemnifying party shall have failed to assume the defense and employ counsel acceptable to the indemnified party within a reasonable period of time after notice of commencement of the action. Such firm shall be designated in writing by the Representative in the case of parties indemnified pursuant to Section 7 and by the Company in the case of parties indemnified pursuant to Section 7(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. In addition, the indemnifying party will not, without the prior written consent of the indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action or proceeding.

(d) To the extent the indemnification provided for in Section 7 is unavailable to or insufficient to hold harmless an indemnified party under Section 7(a) or (b) above in respect of any losses, liabilities, claims, damages or expenses (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company, the Adviser and the Administrator on the one hand and the Underwriters on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company, the Adviser or the Administrator on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or proceedings in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company, the Adviser and the Administrator on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Adviser, the Administrator and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 7(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to above in this Section 7(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 7(d), (i) the Underwriters shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Securities purchased by the Underwriters and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) Any contribution by the Company, the Adviser or the Administrator shall be subject to the requirements and limitations of Section 17(i) of the 1940 Act and Investment Company Act Release 11330.

8. Default by One or More Underwriters. If one or more of the Underwriters shall fail on the Closing Date or an Option Closing Date to purchase the Securities which it or they are obligated to purchase under this Agreement (the “**Defaulted Securities**”), the Representative shall use reasonable efforts, within 36 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representative shall not have completed such arrangements within such 36-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters; or

(b) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement or, with respect to any Option Closing Date which occurs after the Closing Date, the obligation of the Underwriters to purchase and of the Company to sell the Option Securities that were to have been purchased and sold on such Option Closing Date, shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section 8 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of an Option Closing Date which is after the Closing Date, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Option Securities, as the case may be, the Representative shall have the right to postpone the Closing Date or the relevant Option Closing Date, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the General Disclosure Package or Prospectus or in any other documents or arrangements. As used herein, the term “**Underwriter**” includes any person substituted for an Underwriter under this Section 8.

9. Termination. This Agreement may be terminated by the Representative by notice to the Company (a) at any time prior to the Closing Date or any Option Closing Date (if different from the Closing Date and then only as to Option Securities) if any of the following has occurred: (i) since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, any material adverse change or any development involving a prospective material adverse change in or affecting the earnings, business, properties, assets, rights, operations, condition (financial or otherwise) or prospects of the Company and the Subsidiaries taken as a whole, whether or not arising in the ordinary course of business, which the Representative deems to materially impair the investment quality of the Securities, (ii) any outbreak or escalation of hostilities or declaration of war or national emergency or other national or international calamity or crisis (including, without limitation, an act of terrorism) or change in economic or political conditions, if the effect of such outbreak, escalation, declaration, emergency, calamity, crisis or change on the financial markets of the United States would, in the judgment of the Representative, materially impair the investment quality of the Securities, (iii) suspension of trading in securities generally on the NYSE or NASDAQ or limitation on prices (other than limitations on hours or numbers of days of trading), (iv) the declaration of a banking moratorium by United States or New York State authorities, (v) the suspension of trading of the Company’s preferred stock by the NYSE (following the initiation of trading of the Securities on the NYSE), the Commission, or any other governmental authority, or (vi) the taking of any action by any governmental body or agency in respect of its monetary or fiscal affairs which in the opinion of the Representative has a material adverse effect on the securities markets in the United States; or (b) as provided in Section 6 of this Agreement.

10. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Underwriters or the Company or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Section 4, Section 7, Section 10, Section 13, Section 15 and Section 16 shall survive the termination or cancellation of this Agreement.

11. Notices. All communications hereunder will be in writing and effective only on receipt, and will be mailed (postage prepaid, certified or registered mail, return receipt requested), delivered or transmitted by any standard form of telecommunication:

12. Successors. This Agreement has been and is made solely for the benefit of the Underwriters, the Company and their respective successors, executors, administrators, heirs and assigns, and the officers, directors and controlling persons referred to herein, and no other person will have any right or obligation hereunder. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign merely because of such purchase.

13. No Fiduciary Duty. The Company hereby acknowledges that (a) the offering and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether the Underwriters has advised or is currently advising the Company on related or other matters), and (c) the Company's engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether the Underwriters has advised or is currently advising the Company on related or other matters). EXHIBIT C
FORM OF LOCK-UP AGREEMENT

Janney Montgomery Scott LLC
As representative of the underwriters named in Exhibit A of the Underwriting Agreement
1801 Market Street
Philadelphia, PA 19103

Ladies and Gentlemen:

The undersigned understands that Janney Montgomery Scott LLC, as representative (the "**Representative**") of the several underwriters (the "**Underwriters**"), proposes to enter into an Underwriting Agreement (the "**Underwriting Agreement**") with Gladstone Capital Corporation (the "**Company**"), providing for the public offering by the Underwriters, including the Representative, of preferred stock, par value \$0.001 per share (the "**Securities**"), of the Company (the "**Public Offering**").

To induce the Underwriters that may participate in the Public Offering to continue their efforts in connection with the Public Offering, the undersigned agrees that, without the prior written consent of the Representative, the undersigned will not, directly or indirectly, offer, sell, pledge, contract to sell (including any short sale), grant any option to purchase or otherwise dispose of any shares of Securities (including the Securities and shares of common stock, par value \$0.001 per share, of the Company (the "**Common Stock**"), which may be deemed to be beneficially owned by the undersigned on the date hereof in accordance with the rules and regulations of the Securities and Exchange Commission, the Securities and Common Stock that may be issued upon exercise of a stock option or warrant and any other security convertible into or exchangeable for the Securities or Common Stock) or enter into any Hedging Transaction (as defined below) relating to the Securities or Common Stock (each of the foregoing referred to as a "**Disposition**") during the period specified in the following paragraph (the "**Lock-Up Period**"). The foregoing restriction is expressly intended to preclude the undersigned from engaging in any Hedging Transaction or other transaction which is designed to or reasonably expected to lead to or result in a Disposition during the Lock-Up Period even if the securities would be disposed of by someone other than the undersigned. "**Hedging Transaction**" means any short sale (whether or not against the box) or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from the Securities or Common Stock.

The initial Lock-Up Period will commence on the date hereof and continue until, and include, the date that is 60 days after the date of the final prospectus supplement relating to the Public Offering (the "**Initial Lock-Up Period**"); *provided, however*, that if (1) during the last 17 days of the Initial Lock-Up Period, (A) the Company releases earnings results or (B) material news or a material event relating to the Company occurs, or (2) prior to the expiration of the Initial Lock-Up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Initial Lock-Up Period, then in each case the Lock-Up Period will be extended until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of material news or a material event relating to the Company, as the case may be, unless the Representative waives in writing, such extension. Notwithstanding the foregoing, if the Company has "actively traded securities" within the meaning of Rule 139 of the Securities Act of 1933, as amended, or otherwise satisfies the requirements set forth in Rule 139 that would permit the Representative or any underwriter to publish issuer-specific research reports pursuant to Rule 139, the Lock-Up Period shall not be extended upon the occurrence of (1) or (2) above.

Notwithstanding the foregoing, the undersigned may (a) transfer the Securities and Common Stock acquired in open market transactions by the undersigned after the completion of the Public Offering, (b) transfer any or all of the Securities and Common Stock or other Company securities if the transfer is by (i) gift, will or intestacy, or (ii) distribution

to partners, members or shareholders of the undersigned; *provided, however*, that in the case of a transfer pursuant to clause (b) above, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding the securities subject to the provisions of this Lock-Up Agreement, and (c) transfer Common Stock pursuant to any written plan meeting the requirements of Rule 10b5-1 under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") in effect on or prior to the date of this Lock-Up Agreement relating to the sale of the undersigned's Common Stock.

Notwithstanding anything herein to the contrary, the undersigned may enter into a written plan meeting the requirements of Rule 10b5-1 under the Exchange Act (a "**New 10b5-1 Plan**") after the date of this Lock-Up Agreement relating to the sale of the undersigned's Securities or Common Stock, provided that the New 10b5-1 Plan does not provide for the transfer of the undersigned's Securities or Common Stock during the Lock-Up Period.

The undersigned agrees that the Company may, and that the undersigned will, (i) with respect to any Securities or other Company securities for which the undersigned is the record holder, cause the transfer agent for the Company to note stop transfer instructions with respect to such securities on the transfer books and records of the Company and (ii) with respect to any Securities or other Company securities for which the undersigned is the beneficial holder but not the record holder, cause the record holder of such securities to cause the transfer agent for the Company to note stop transfer instructions with respect to such securities on the transfer books and records of the Company.

In addition, the undersigned hereby waives any and all notice requirements and rights with respect to registration of securities pursuant to any agreement, understanding or otherwise setting forth the terms of any security of the Company held by the undersigned, including any registration rights agreement to which the undersigned and the Company may be party; *provided* that such waiver shall apply only to the proposed Public Offering, and any other action taken by the Company in connection with the proposed Public Offering.

The undersigned hereby agrees that, to the extent that the terms of this Lock-Up Agreement conflict with or are in any way inconsistent with any registration rights agreement to which the undersigned and the Company may be a party, this Lock-Up Agreement supersedes such registration rights agreement.

The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this Lock-Up Agreement. All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and any obligations of the undersigned shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned.

Notwithstanding anything herein to the contrary, if the closing of the Public Offering has not occurred prior to December 1, 2011, this agreement shall be of no further force or effect.
